

STSn Matrix

STSn Matrix is a non-repainting matrix indicator for use with the Symphonie Trading System.

- Uses the following indicators:
 1. TVI
 2. CCI
 3. Gann High/Low Indicator
 4. T3 Moving Average
- Multi time-frame. All bars in the chart corresponding to a higher time-frame bar will be updated to reflect the current state of the higher time-frame indicator.
- Optional alert when all 4 indicators line up.
- Set labels of your choice.
