

Algo Trading Group
Investment Fund

**Welcome to the “Algo Plus”
Artificial Intelligence**

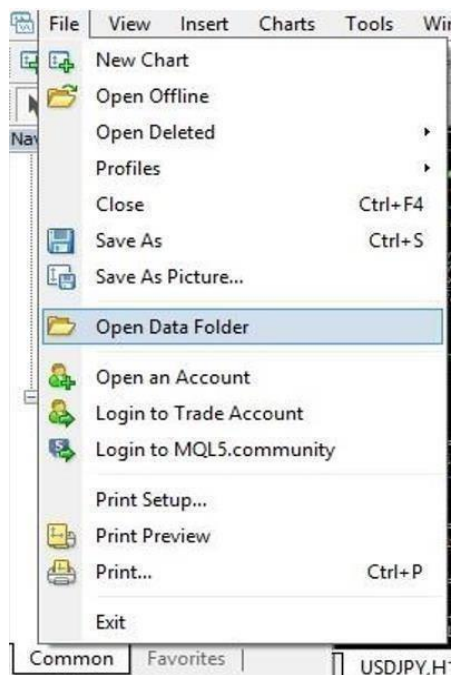

support@algotradinggroup.net

Congratulations on purchasing Algo Plus Artificial Intelligence. We will you all the best and profitable year ahead. You will receive frequent updates and set files as we adapt this algorithm every month as market conditions change.

How to install Algo Plus in MT4

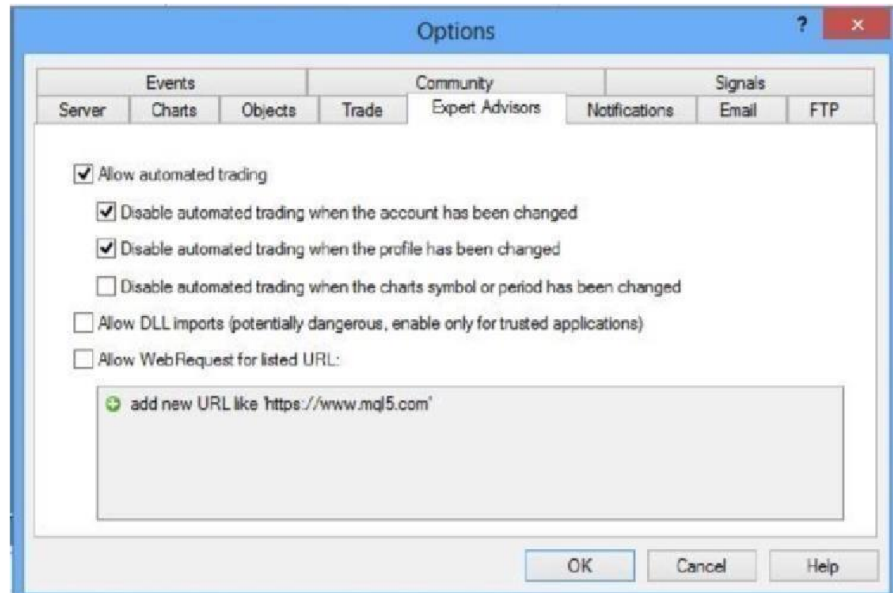

1. Extract the file we sent you using Winrar or 7Zip.
2. Open your Metatrader 4 (MT4) in desktop.
3. Go to File >> Open

Data Folder

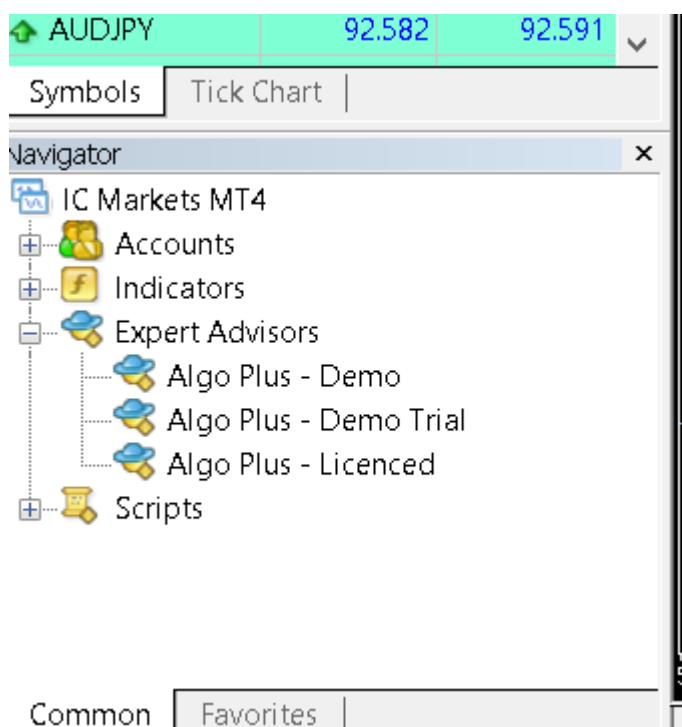

4. Copy and Paste **Algo Plus.ex4 file** into Data Folder >> MQL4 >> Experts folder.

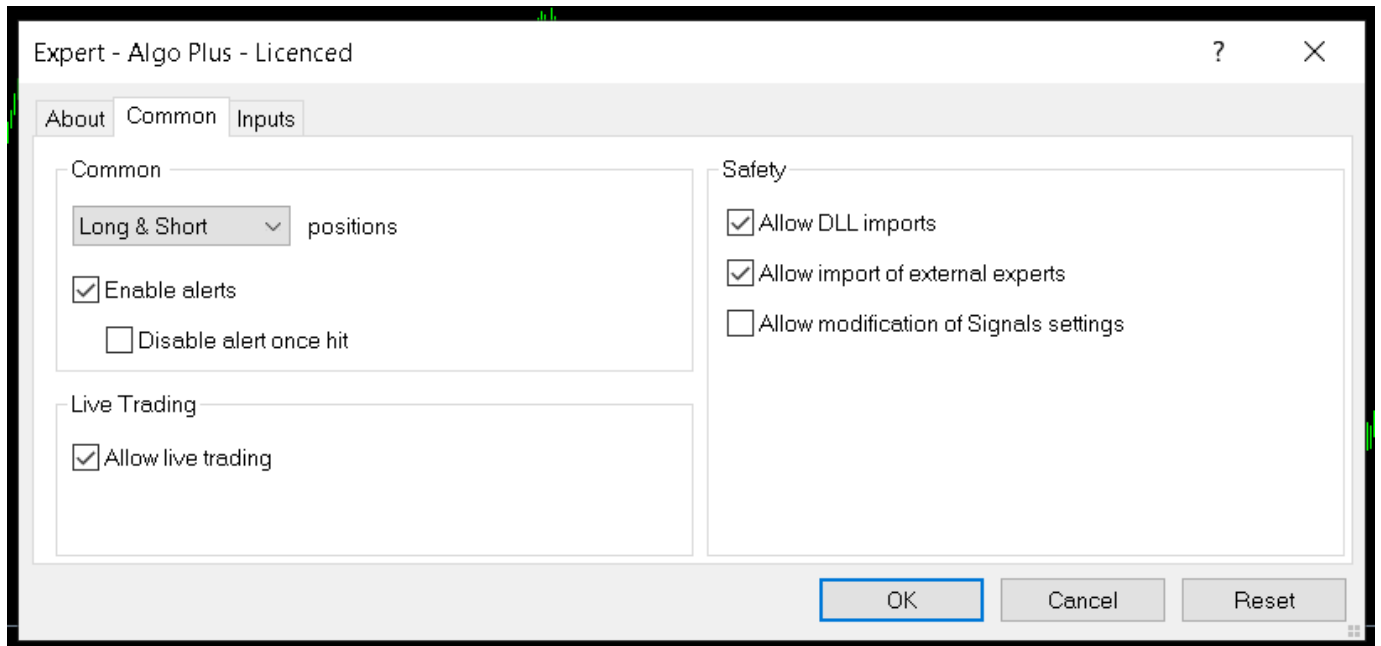

5. Go to Menu >>> Options >>> Expert Adviser Tab. Check Allow Live Trading option.

6. Restart your MT4 application.
7. Find Algo Plus under 'Expert Advisors' folder under 'navigation' section.

8. Drag and Drop Algo Plus into one of the charts. A dialogue box shown below will appear. Check the 'Allow DLL imports' and 'Allow Live Trading' boxes as shown below:

9. That's all! Algo Plus will take trades for you! All the best!
